

Welcome to Oxford

Primary Care DPhil Induction

Libraries

Online access

A photograph of a wooden desk with a silver laptop. A light blue sign is placed in front of the laptop, listing online access options. The background is slightly blurred, showing a wooden block and a teal cup.

SSO, OWL,
Eduroam,
Bodleian WiFi

A photograph of a library aisle. Tall bookshelves line both sides of the aisle, filled with books. In the foreground, there are large, messy stacks of books on the floor, some standing upright and others lying flat. The perspective is looking down the aisle towards the back of the library.

A photograph of study materials on a wooden desk. In the upper right, a dark grey notebook is partially visible. Two pencils, one black and one teal, lie diagonally across the wooden surface. The text 'Study skills' is overlaid in a large, black, serif font on a semi-transparent grey rectangular background.

Open Access at Oxford

Deposit your research in ORA

There are three routes of deposit to ORA. The main route of deposit for publications and grey literature, such as working papers and reports is via Symplectic Elements, which is also the chosen route for Oxford academics to 'Act on Acceptance'. The other deposit portals are for theses and research data only.

Research

For 'Act on Acceptance' and publications such as journal articles, conference papers, book chapters, reports, working papers, etc.

 **DEPOSIT RESEARCH**

➤ [Guidance on depositing research](#)

Theses

For research theses (e.g. D.Phil., M.Litt. & M.Sc. by Research) – deposit of theses is a mandatory requirement for those completing a research degree.

 **DEPOSIT THESIS**

➤ [Guidance on depositing thesis](#)

ORA-Data

For any type of digital research data, especially data that underpins publications, or data where the funding body requires archiving and preservation.

 **DEPOSIT DATA**

➤ [Guidance on depositing data](#)

Alumni theses deposit

If your Oxford username and password has expired, you will need to contact ora@bodleian.ox.ac.uk

If you encounter problems trying to make your submission to ORA please contact ora@bodleian.ox.ac.uk and we will arrange an alternative method for the upload of your work to ORA. Apologies for any inconvenience caused.
