

# Priorities for Obesity and Weight-related Research (POWER)

---

## Page 1: POWER - Priorities in Obesity and Weight-related Research

Our aim is to produce a list of the top ten research questions in the field of obesity and weight-related research.

We would like to hear from you about what you consider to be the important areas for future research and where you think there are still uncertainties.

## Page 2: Consent

If you decide to complete this survey you should click 'Next' at the bottom of this page. By doing so, you agree to the following:

You have read the information sheet dated..... (version.....) for this study. You have had the opportunity to consider the information and have had any questions answered satisfactorily.

You understand that your participation is voluntary and that you are free to withdraw at any time without giving any reason.

You understand that members of the research team will look at the data you give us. As part of governance, auditors from inside the University may look at it too. You give permission for these individuals to have access to your responses.

## Page 5: Stay in touch

As part of the project we will be sending you another (shorter) survey. For the second survey we will ask you to rank a list of the identified research questions in order of importance to you. We would also like to contact you again about other stages of this project and to inform you of our results. Please provide your email address in the space below to be contacted again. The email addresses we collect will not be linked to the questions you answered previously, so your responses will remain anonymous. Please be aware that you do not have to take part in any further research when contacted.

We really value your time and responses, these will help shape future research to improve public health.

Please enter a valid email address.

As a way to say thank you we would like to enter you into a prize draw to win an Amazon voucher. The terms and conditions\* for this competition can be found below. To enter, we require your email address. Winners will be selected at random. Please complete the question below and press the 'Next' button to enter to draw.

### How to enter:

To enter the prize draw please fully complete the first round of the Obesity prioritisation exercise survey and submit your name and email address at the end. If you do not wish to enter the prize draw, but still wish to complete the survey, you will be given the opportunity to opt-out of entering at the end of the survey.

Winners will be selected at random.
