

# Oxford Centre for Early Cancer Detection

## *Annual Symposium*

*Tuesday, 13th September 2022*

*Worcester College, Oxford*

Join us for a day of talks themed on:

- *Challenges in early cancer detection*
- *Oxford-based opportunities for early detection*
- *Opportunities for patient input*

Our keynote speaker is **Prof. Peter Sasieni** (King's College London) on cancer early detection and prevention trials.

Deadline for Poster submission  
& Registration: **25th August**
