Housekeeping:

- As break-out rooms are planned ahead, please attend this webinar individually, and not as groups.
- Please call in to the meeting a few minutes before the start.
- Mics will automatically be turned off during presentations.
- Please turn on your camera to help us create a good atmosphere.
- Parts of the webinar will be recorded and used only to assist in making a 'webinar book', thereafter deleted. The webinar book will be distributed to all participants for future collaborative purposes.
