

Welcome Back to the Patient & Doctor Course

Dr Alison Convey
Deputy Academic Lead for Primary Care
Teaching

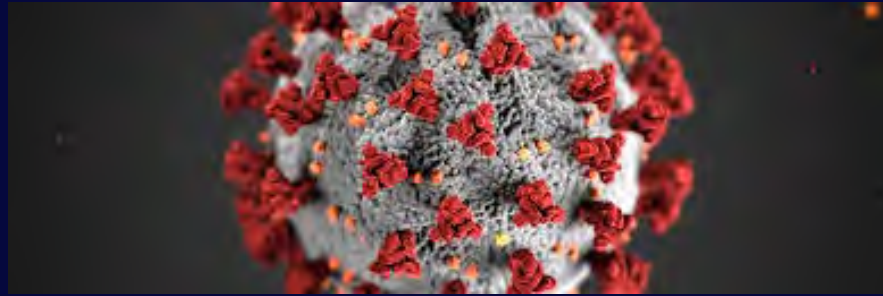

Patient & Doctor Course

- What did you learn last year?
- What do you hope to learn over the year ahead?

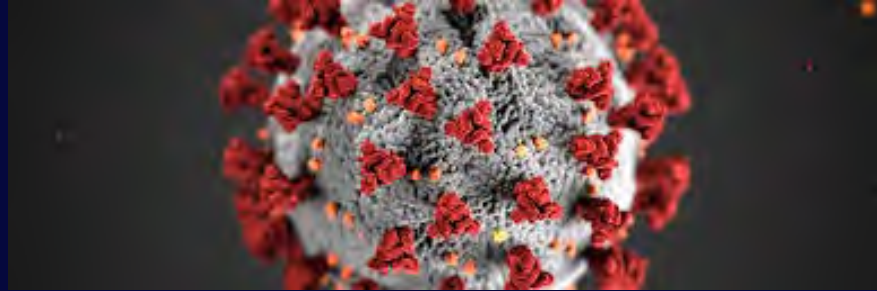

Covid-19

Impact on healthcare professionals and
clinical practice

Covid-19

Impact on the Patient & Doctor Course

What's coming up?

Michaelmas Term

- *“Who Do You Think You Are?”*: Family Health and Genetics - **deferred from May 2020**
- *“Do You Hear What I’m Saying?”*: Treatment and Consent

Hilary Term

- *“The Story of the Blues”*: Psychological Problems – depression and anxiety
- *“The Big ‘C’”*: Taking a full history from a patient with cancer.

Covid – “Remote” Consulting

Have you done your risk assessment?

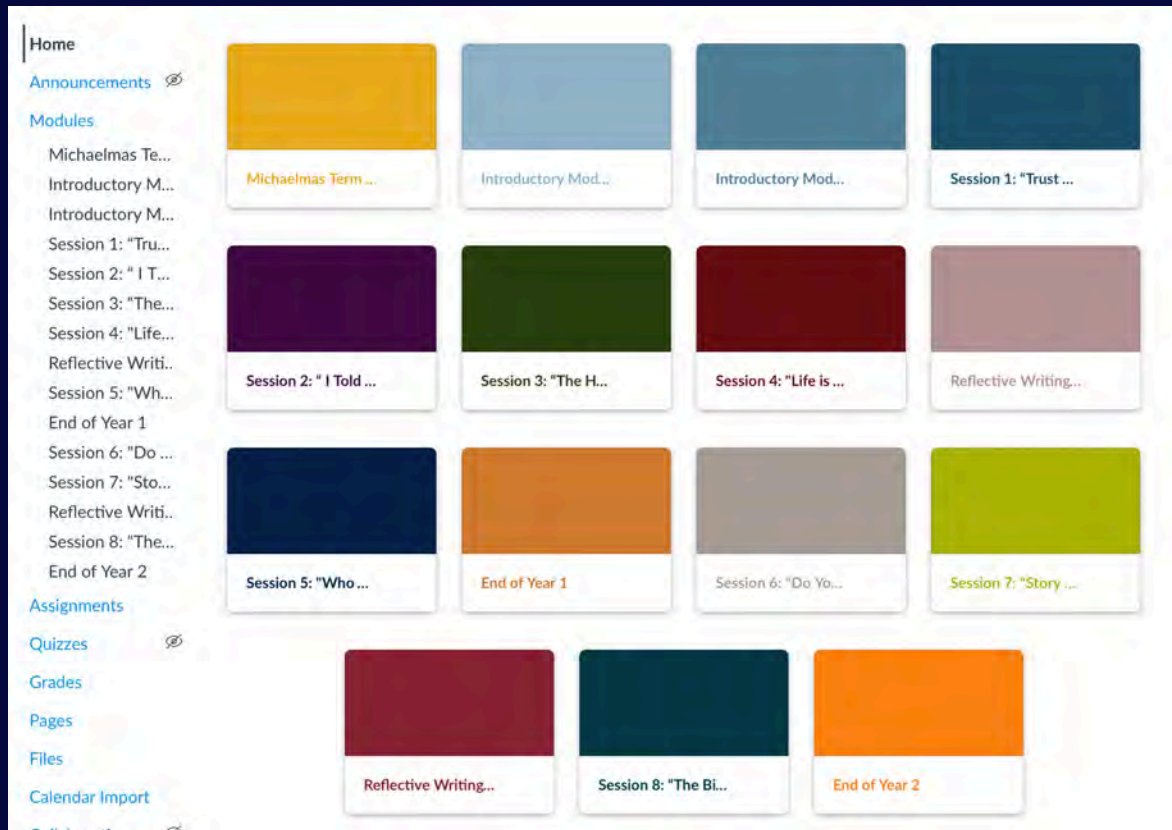

Self-assessment health questionnaire:

<https://occupationalhealth.admin.ox.ac.uk/covid-19-vulnerability-self-assessment#/>

MS Form:

<https://forms.office.com/Pages/ResponsePage.aspx?id=G96VzPWXk0-0uv5ouFLPkaq88xBMmvpGrphk2JOBj0xUQzIJNEIzUklwSTJLMzNRRzFYWkFFMIJQVi4u>

Course notes all on Canvas

Course Notes on Canvas

A Final thought...

“This course is about relating to, and talking to, people. Being curious. Being a detective. A taste of the 40-odd years to come!”.
